

Newsletter 13th September 2026

Hello Everyone,

And here we are at the beginning of the third week back at school. That has flown by! This week we will be continuing our All About Me theme but this week we will be focusing on our homes. We will be looking at all the different types of home both in this country and in other countries and seeing how other people live from houses on stilts through to house boats! Some of the books we will be using include:-

Homes Around the World by K.Perry

Flora's Flowers by D.Gliori

How Does My Home work by C.Butterworth

Webster's Walk by J.Dow

Sally's Secret by S.Hughes

Whatever Next by J.Murphy

A New House for Mouse

Ginger Finds a Home by C.Voake

Our new sound for the week is the letter 't'. So , please do send in any photos of anything connected with the letter 't' or the number 2 as we are also focusing on 2. Our new vocabulary words for the older children include the words settle, upset, flutter, cone and flicker. The new sign language signs we are learning will be play, red and happy.

Thank you to everyone who has bought in donations for our snack times. We really appreciate everything! If any one wants to donate then any fruit or carbohydrate snacks are very welcome!

This week we are having a fundraising event for Jeans for Genes day on Wednesday 14th September. You probably saw our messages on WhatsApp about the day. We would love the children to wear jeans into school that day and there will be a collection basket on the welcome table for any donations. We are also holding a sweepstake (as shown on WhatsApp) so you will be able to enter that if you want to as you arrive at school. The children will be doing some jeansy activities and we will let them know what we are raising

money for. 1 in 10 families in the UK are affected by a genetic condition so all the money raised will probably be helping someone you know!

We are looking forward to seeing all the children again this week and we hope you have all had a good weekend.

With love from the Westborough Team
