Newsletter 1st November 2026

Dear All,

Welcome to November and the beginning of Autumn Term 2!

HIGHLIGHTS THIS WEEK

- Term starts Monday 2nd November School Photographer
- Wednesday 4th November
- 'c' photos please!

Following some comments that sometimes people don't make it to the end of the newsletter we will now put all really need to know points right at the beginning of this email so they can't be missed!!

This week we will be using the topic of 'Road Safety' as the basis for our learning. During the week we will be going out and about in small groups to look at road signs and road users and learning how to cross the road safely. We have a great 'Supercat rap' we use to support road crossing so hopefully your children will come home with that firmly stuck in their heads!! Some of the books we will be using include:-

Learn About Road Safety by Geddess and Grossett

My Naughty Little Sister at the Fair by S.Hughes

Topsy and Tim Safety First by G.Adamson

Ready, Steady, Mo by Mo Farah

Robbie and Bertie Cross Safely

Norman - the Slug with the Silly Shell by N.Hendra

We will be adding the letter 'c' to our phonic learning and our new vocabulary will include the words practice, roundabout, slither, pavement and Amber. We will focus on the number 6 and our new sign language signs will include green, stop and cross.

Our school photographer will be coming into school on Wednesday. She has done our photography for years and is really good. She will do a 5-10 minute photo shoot for each child and you will have a selection of photos to choose from on line when she has collated everything. If you would like younger children to be included in the photo shoot this is definitely do-able. Just let us know and we will book you a timeslot around your drop off time so that the children can be photographed together.

Thank you to everyone who drops off fruit and crackers for our snack times. We really appreciate all your contributions and the children love seeing what there is to eat each day. If anyone else would like to bring in a contribution we love any fruit, any carbohydrate snacks such as breadsticks, ritz crackers etc.

We are looking forward to seeing everyone again tomorrow and , as a bonus, I think there is going to be very little rain this week!

With Love From the Westborough Team.
