Newsletter 8th November 2026

Dear All,

We hope you have all had a good weekend and that for those of you who celebrate Diwali we hope that you have had a blessed and happy family time. Maybe some of you have visited firework displays this weekend too - a busy time! Thank you to everyone who contributed food for the Diwali party - the children had a really special time.

Highlights this week

- Friday 13th November - Children in Need day. Dress in yellow and red or Pudsey gear!
- Letter 'e' photos please

This week our learning will be based around the theme of space. Some of the books we will be using include:-

On the Moon by A.Milbourne

Astronaut by L.George

Zoom, Rocket, Zoom by M.Mayo

The Darkest Dark by C.Hadfield

Goodnight Spaceman by M.Robinson

Whatever Next by J.Murphy

Our new vocabulary will include the words collect, repair, gravity, crew and rotate. We will be starting to look at the letter 'e' during our phonic learning times and we will continue with our numbers up to 6. This includes manipulating numbers, adding and subtracting, looking at greater than and less than and maybe even writing numerals! Our new sign language signs will be excited, hat and paper.

Children in Need day is on Friday this week. We would love it if the children could dress up in red and yellow clothes and if you have any Pudsey merch please do wear it! We will have a little basket on the table in the morning for any donations that you would like to make to the charity.

We look forward to seeing you in the morning as our daylight hours get shorter and we head into the depths of autumn!

With Love From the Westborough Team
