Newsletter 13th November 2026

Dear All,

Here we are at the end of another week and we have loved using 'Space' as our learning medium. Some of our children have been really interested in planets, the moon, astronauts and gravity. Maybe some of them will one day walk on the moon!

Information Highlights for Next Week

- Family Friday - 20th November 2026
- Letter 'h' pictures

Next week we will be using the story 'Going on a Bear Hunt' as our leap pad into the Early Years Curriculum. Some of the books we will be using include:-

Going on a Bear Hunt by Michael Rosen

The Bear's Winter House by J.Yeoman

You're All My Favourites by S.McBratney

Baby Bear, Baby Bear, What Do You See by E.Carle

One Bear at Bedtime by M.Inkpen

My Feelings by G.Jones

Bear by M.Inkpen

We will begin to look at the letter 'h' and our new signs will be bear, scared and book. Our number will be number 7.

Next Friday we will be holding another Family Friday. This is a time when you can come into preschool with your children, have a coffee and croissant, and then stay and play for a while. The front of the church will be open from 8.45am for coffee and then we will open up the rest of the preschool when all our children are in at about 9.15am. Please do feel free to stay and play until about 10.00am which is about when we start our circle times and key group activities. It would be lovely to see you and catch up a bit!

Just as a bit of an advanced warning we are planning to hold our Christmas sing along on the last day of term - Friday 18th December at about 11.00am. This year we would thought it

would be fun to have a party with all of our parents, our children and our staff team to wrap up the Autumn term. After the singing we would love it if you would like to share some food with us and your children in our main room. We are expecting to finish our party at about 1.00pm so please feel free to take your children home after that. More details of this event will follow!

Thank you for all your Children in Need donations ,we will make a payment to the charity today on your behalf.

We hope you have a great weekend.

With Love From the Westborough Team
